## EC-CERTIFICATE OF CONFORMITY

**0672 - CPD – 1122**

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated

that the construction product

**Silica fume for concrete**  
**“Elkem Microsilica® 920 E”**  
**Silica slurry for concrete**  
**“EMSAC 500S”**

placed on the market by  
the manufacturer

**Elkem AS, Materials**  
**Vaagsbygd**  
**4675 Kristiansand S**  
**NORWAY**

and produced in the factory

**Elkem AS, Materials**  
**Bremanger Smelteverk**  
**6723 Svelgen**  
**NORWAY**

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body – **Materialprüfungsanstalt, MPA Stuttgart, Otto-Graf-Institut (FMPA), Universität Stuttgart** – has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control and an audit-testing of samples taken at the factory, on the market or at the construction site.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in the Annex ZA of the standard

**EN 13263-1:2005**

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 02 April 2007 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
