

QUALITÄTSGEMEINSCHAFT DEUTSCHE BAUCHEMIE^{e.V.}

Kompetenz. Zuverlässigkeit. Qualität.

CERTIFICATE of factory production control

No. 0921 – TL NBM – 2083

In accordance with “Technische Lieferbedingungen für flüssige Beton-Nachbehandlungsmittel” (technical terms of delivery for liquid concrete curing compounds), TL NBM – StB 09, it has been stated that

concrete curing compounds according TL NBM-StB 09

produced by

**Ha-Be Betonchemie GmbH
Stüvestraße 39
31785 Hameln**

and produced in the factory

Hameln

are submitted by the manufacturer to the initial type-testing according to TL NBM – StB 09, chapter 5.2, of the products and to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan according TL NBM – StB 09, chapter 5.4.

It has been stated, that the certification body

QUALITÄTSGEMEINSCHAFT DEUTSCHE BAUCHEMIE^{e.V.}

has performed the initial inspection of the factory and of the factory production control according to TL NBM – StB 09, chapter 5.5 and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attest that all provisions concerning the attestation of factory production control in accordance with the procedures given in TL NBM – StB 09, chapter 5.4, were applied.

This certificate was first issued on **2 November 2009** and remains valid as long as the conditions laid down in the technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.

Frankfurt/Main, 1 July 2019

.....
Dr. Karsten Exner
Head of certification body

This certificate is not a Certificate of conformity of the factory production control according CPR (305/2011/EU).
